This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.
3. A review is limited primarily to inquiries of group's personnel and analytical procedures applied to group's financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

These financial results/ statements and other financial information have been reviewed by other auditors/ certified by the management whose reports have been furnished to us, and our opinion on the Statement to the extent they have been derived from such financial results/ statements is based solely on the report of such other auditors/ management returns.
6. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 as per Section 211(3C) of the Companies Act, 1956 and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
